

15th Annual Cerebrovascular Update: Past, Present, and Beyond

March 17-18, 2016

Hyatt at The Bellevue | 200 S. Broad Street, Philadelphia, PA 19102

Jefferson Co-Course Directors

Rodney D. Bell, MD

Robert H. Rosenwasser, MD, FACS, FAHA

Pascal M. Jabbour, MD

Maria C. Pineda, MD

TARGET AUDIENCE

Neurologists, neurosurgeons, emergency medicine physicians, critical care physicians, hospitalists, neuroradiologists, internists, nurses, nurse practitioners, physician assistants, case managers and rehabilitation therapists who treat a myriad of stroke related conditions and diseases in their practice.

COURSE OVERVIEW

The ultimate goal of the 15th Annual Cerebrovascular Update: Past, Present, and Beyond is to improve the delivery of care for stroke patients by improving the performance of practicing physicians and other health care professionals as they care for patients with stroke related medical complications. The course directors have developed an agenda that includes in-depth presentations covering the continuum of stroke care from pre-hospital treatments to post rehab management and will focus on applying the information and new clinical guidelines into practice.
