Getting to the Heart of the Matter

Thursday, January 28, 2016 | 6:00pm - 8:00pm*
*Welcoming Reception and Registration/Check-In from 5pm-6pm
Dorrance H. Hamilton Building
1001 Locust Street
Philadelphia, PA 19107

Jefferson Course Director
David M. Shipon, MD, FACC

Jefferson Course Co-Directors
Jeremy Close, MD
Arnold J. Greenspon, MD, FACC

FEATURED KEYNOTE SPEAKER
Brian Hainline, MD
Chief Medical Officer, National Collegiate Athletic Association
Senior Vice President, Sport Science Institute
Indianapolis, Indiana

COURSE OVERVIEW
The program is geared to a multidisciplinary group of health care professionals including cardiologists, orthopedic specialists, sports medicine, family medicine, internal medicine, pediatrics, and other health care professionals involved in the screening and care of student athletes.

Sudden cardiac death of young athletes is a very important and escalating issue affecting today’s youth. Join Jefferson to review the latest information and protocols for effective screening of student athletes. Then, listen in and question Brian Hainline, MD, the NCAA’s Chief Medical Officer, as he discusses NCAA’s progress in reducing the incidence of sudden cardiac death and maximizing the overall safety of athletes. This cutting edge review will inform your practice, and help you contribute to the dual goals of improved safety and reduced sudden cardiac death.

This activity is supported, in part, by the Dinon Foundation, Simon’s Fund, and Jefferson.

ACCREDITATION INFORMATION
Sidney Kimmel Medical College at Thomas Jefferson University is accredited by the ACCME to provide continuing medical education for physicians.

Sidney Kimmel Medical College at Thomas Jefferson University designates this live activity for a maximum of 2.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Pennsylvania State Board of Nursing recognizes AMA PRA Category 1 Credits™ issued by academic medical centers toward license CE requirements. If you reside outside of Pennsylvania, please check with your state for additional information.

DISCLOSURE STATEMENT
All faculty at continuing educating activities for nurses, physicians and allied health professionals are required to disclose to the audience (1) any significant financial relationships with the manufacturer(s) of any commercial products, goods or services and (2) any unlabeled/unapproved uses of drugs or devices discussed in their presentations. Such disclosures will be made in writing in the course presentation materials.
