# Parathyroid & Osteoporosis 2016

## New Advances in the Management of Parathyroid Disease & Osteoporosis

**Friday, November 11, 2016**

Jefferson Alumni Hall | 1020 Locust Street, Philadelphia PA, 19107

The **Parathyroid & Osteoporosis 2016: New Advances in the Management of Parathyroid Disease & Osteoporosis** offers participants a unique opportunity to witness experts deliberate and debate how they would manage patients with hyperparathyroidism and osteoporosis. The latest evidence-based guidelines from the American Thyroid Association regarding Hyperparathyroidism and Osteoporosis will be reviewed and practitioners will be provided with an array of contemporary management elements with which to approach patients with these difficulties. This active learning format features critical deliberations regarding patient cases, clinical findings, differential diagnoses and management plan options.

### Topics Include

- Cost effective management of osteoporosis
- Advances in parathyroid surgery
- Management of hyperparathyroidism
- Surgical treatment of parathyroid disorders

### Sidney Kimmel Medical College Co-Course Directors:
