Inaugural Jefferson Women and Gastroenterology Health Symposium

Friday, February 22, 2019 | 8:30AM - 4:00PM

Jefferson Alumni Hall | 1020 Locust Street • Philadelphia, PA 19107

Designed for healthcare professionals specializing in Gastroenterology, Hepatology, Internal Medicine, and Family Medicine, this inaugural program will examine the medical conditions that are unique to women, occur more frequently in women, or present differently in women. Utilizing emerging scientific and clinical evidence, experts in these fields will provide updated approaches to the diagnosis, management, and treatment of common gastrointestinal disorders aimed to improve the care of female patients.

Topics Include:

- Celiac Disease
- Obesity and its Impact on Women
- Menstrual Variations and the GI Tract
- Gender Difference in Liver Disease and IBD
- Pelvic Floor Disorders

Special Lunch Lecture:

“In Pursuit of HBV Cure: One Physician’s Story”

Hie-Won L. Hann, MD, FAASLD

REGISTER TODAY!
