Please join us for the

24th Annual Jefferson Anesthesia Conference

Featuring

Regional Anesthesia & PoCUS Workshops

**25 CME
Credits**

**4.5 MOCA®
Patient Safety
Credits**

Big Sky Montana!

February 9 - 14, 2019 • Huntley Lodge

Included At No Extra Cost:

- Reception
- Problem Based Learning Discussion
- Ultrasound Regional and Point of Care Workshops
with live models

Special Focus Topics:

- Patient Safety
- Regional Anesthesia and Acute Pain Management
- Opioid Tolerance and Abuse
- Pediatrics

24th Annual Jefferson Anesthesia Conference

Learner Objectives

At the conclusion of this conference, participants should be able to:

- Identify the appropriate approach to the diagnosis and management of peripheral nerve injury following peripheral nerve block.
- Define the signs and symptoms of local anesthetic systemic toxicity and current treatment guidelines.
- Apply current safety evidence regarding regional anesthesia according to the Pediatric Regional Anesthesia Network.
- Recognize signs and symptoms of provider burnout.
- Develop a physician wellness program at their home institution.
- Analyze risk factors for postoperative cognitive dysfunction and methods for prevention.
- Identify risk factors for chronic postsurgical pain following breast cancer surgery.
- Develop protocols of treatment of acute postoperative pain for breast cancer surgery.
- Define the prevalence and predictors of chronic postsurgical pain in children.
- Contrast the new concept of the Transitional Pain practice in relation to the traditional Acute Pain Service and define how to implement the concept at your institution.
- Review the new ketamine guidelines in acute and chronic pain and the role ketamine plays in opioid reduction.
- Utilize Point-of-Care ultrasound to assess cardiac function.
- Apply the technique of diagnostic sonography of the lung, abdomen, and stomach.
- Develop a protocol to implement Point-of-Care ultrasound at the participant's institution.
- Demonstrate how to approach a malpractice suit
- Recognize how the Apology laws vary from state to state and how that impacts the practitioners approach to patients.
- Define the legal implications of social media and medicine and implement a protocol for safe practice.
- Assess their individual practice in light of the information and discussions during the course, and identify specific strategies to implement as part of a continuing improvement process for their practices.

Accreditation

Sidney Kimmel Medical College at Thomas Jefferson University is accredited by the ACCME to provide continuing medical education for physicians. Sidney Kimmel Medical College at Thomas Jefferson University designates this live activity for a maximum of 25.0 *AMA PRA Category 1 Credit(s)*[™].

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

All faculty participating in continuing medical education activities sponsored by Sidney Kimmel Medical College are expected to disclose to the activity audience any real or apparent conflict(s) of interest related to the content of their presentation(s). Full disclosure of faculty relationships will be made at this activity.

This activity contributes to the patient safety CME requirement for Part II: Lifelong Learning and Self-Assessment of the American Board of Anesthesiology's (ABA) redesigned Maintenance of Certification in Anesthesiology Program[®] (MOCA[®]), known as MOCA 2.0[®]. Please consult the ABA website, www.theABA.org, for a list of all MOCA 2.0 requirements.

This program has been prior approved by the American Association of Nurse Anesthetists for 25 Class A CE credits: Code Number 1037017; Expiration Date 02/14/19.

Regional Anesthesia and PoCUS

These hands-on workshops are included free to charge to all participants.

Problem Based Learning Discussion

Small case-based groups moderated by expert faculty. Participants will be able to sign up at registration for topics of their choice. Provided free of charge.

Evaluation & Claiming Credit

Participants will be required to complete an online evaluation in order to claim CE credits for the conference. After completing the online evaluation, the certificate will be immediately available. See conference materials for login information.

Refund Policy

Written notification of cancellation must be received by the Jefferson Office of CME by January 26, 2019 to obtain a refund (minus 25% administrative fee). No refunds after January 26, 2019. Refunds will be issued after the conference. See additional details on registration form.

MOCA[™]

24th Annual Jefferson Anesthesia Conference | Course Schedule

Saturday, February 9

4:00 - 6:00 pm Registration

Sunday, February 10

Morning

6:45 am	Breakfast	
6:45-7:30 (45 min)	Updates in Acute Pain Management	<i>Viscusi</i>
7:30-8:15 (45 min)	Comparison of Adult and Pediatric Regional Anesthesia Safety Data	<i>Boretsky</i>
8:15-9:00 (45 min)	What is the Transitional Pain Service?	<i>Viscusi</i>
9:00-9:30 (30 min)	Questions and Answers	

Afternoon

4:30-5:15 (45 min)	Perioperative Pain Management in the Patient with Substance Abuse Disorder	<i>Viscusi</i>
5:15-6:00 (45 min)	Burnout in Anesthesiology	<i>Baratta</i>
6:00-6:45 (45 min)	What's New in Regional Anesthesia?	<i>Baratta</i>
6:45-7:00 (30 min)	Questions and Answers	
8:00-10:00 (120 min)	Reception and Meet the Exhibitors	

Monday, February 11

Morning

6:45 am	Breakfast	
6:45-7:30 (45 min)	How to Use Point of Care (PoCUS) for Cardiac Function Evaluation in Your Practice	<i>Hardman</i>
7:30-8:15 (45min)	Understanding the New Ketamine Guidelines for Acute and Chronic Pain	<i>Viscusi</i>
8:15-9:00 (45 min)	PoCUS to the Rescue: Lung, Abdominal and Gastric Evaluation	<i>Hardman</i>
9:00-9:30 (30 min)	Questions and Answers Exhibitors will be available	

Afternoon

4:30-5:15 (45 min)	Postoperative Cognitive Dysfunction: Strategies for Prevention	<i>Baratta</i>
5:15-6:00 (45 min)	Open-Airway Office-Based Anesthesia for Pediatric Dental Patients	<i>Finder</i>
6:00-6:45 (45 min)	The Cardiac Patient Undergoing Non-Cardiac Surgery	<i>Harrington</i>
6:45-7:15 (30 min)	Questions and Answers Exhibitors will be available	

Tuesday, February 12

Morning

6:45	Breakfast	
6:45-8:00 (75 min)	Problem Based Learning Discussion	
8:00-9:15 (75 min)	Problem Based Learning Discussion Exhibitors will be available	

Afternoon

4:30-7:30 (180 min)	Ultrasound-Guided Regional Anesthesia/PoCUS Workshops Exhibitors will be available	
---------------------	---	--

Wednesday, February 13

Afternoon

5:30-6:15 (45 min)	Understanding Electrodiagnostic and Imaging Studies When Confronted with Nerve Injury After Regional Anesthesia	<i>Hardman</i>
6:15-7:00 (45 min)	Does Persistent Post-Surgical Pain Occur in Children and Adolescents?	<i>Boretsky</i>
7:00-7:45 (45 min)	Acute and Chronic Post-Surgical Pain in Breast Cancer Surgery: What is Our Role?	<i>Baratta</i>
7:45-8:15 (30 min)	Questions and Answers	

Thursday, February 14

Morning

6:45am	Breakfast	
6:45-7:30 (45 min)	Open Data: What's New and What Clinicians Need to Know	<i>Marcus</i>
7:30-8:15 (45 min)	Legal Implications of the Rising Use of Social Media in Medicine	<i>Shreibman</i>
8:15-9:00 (45 min)	Anesthetic Considerations for Robotic Prostatectomy	<i>Harrington</i>
9:00-9:30 (30 min)	Questions and Answers	

Afternoon

4:30-5:15 (45 min)	An Update on One-Lung Ventilation	<i>Harrington</i>
5:15-6:00 (45 min)	What You Need to Know When Faced with a Malpractice Suit	<i>Shreibman</i>
6:00-6:45 (45 min)	Update on Local Anesthetic Systematic Toxicity (LAST)	<i>Boretsky</i>
6:45-7:15 (45 min)	Questions and Answers / Closing Remarks	

Attention past participants!

If you attended this conference between 2015 and 2018, and bring a fully-registered colleague with you this year, you are eligible for a

10% special discount!

Watch your email for details!

24th Annual Jefferson Anesthesia Conference

Big Sky Downhill Ski Resort

Located in southwestern Montana 50 miles from Yellowstone National Park, Big Sky has a unique pristine beauty. Big Sky, with its lodges, shops, and restaurants, is easily accessed via excellent jet service to nearby Bozeman. The nationally renowned Lone Mountain Guest Ranch offers 75 kilometers of professionally groomed Nordic trails for all levels of cross-country skiers. Located five miles from the conference center, the scenic trails wind through forested areas, open meadows and continue onto high alpine terrain. PSIA certified instructors teach beginning to advanced striding, skating, as well as group and private lessons. Naturalists guide backcountry tours of Yellowstone National Park and the Spanish Peaks wilderness area. Gourmet meals and a full-service Nordic ski shop are available on-site. Free shuttle bus service connects the Ranch and the conference center; however, car rental offers the Nordic skier even greater flexibility.

Big Sky Downhill Ski Resort recently expanded its vertical rise to 4,180 feet. Big Sky has 3,500 skiable acres, with runs that are 10% beginner, 47% intermediate and 43% expert. The Lone Peak tram opens previously inaccessible chutes and couloirs, plus three new bowl areas above the Lone Peak treeline. Big Sky offers big skiing days; **the runs are long, the lifts swift, and crowds are rare.** Big Sky's average annual 33 foot snowfall, keeping the resort open until late April, is complemented by snowmaking. **Kids ski free**—up to two kids age 10 or under per paying adult. Children's ski school (ages 4–14, 406-995-5743) and child care (ages 1-1/2–5, 406-995-5847) are available.

All lectures will be at the Yellowstone Conference Center, adjoining the Huntley Lodge at the base of the downhill mountain.

Reception

All conference participants and their families are invited to attend the Sunday evening reception and exhibits.

Exhibits

Exhibits will be available for participants during the Sunday evening reception, and both Monday and Tuesday mornings and evenings.

Breakfast

A light continental breakfast and afternoon snacks will be available every day.

Register and Save!!

Hotel accommodations in Big Sky are very pleasant; however, the supply is limited. Hotel space may not be available after mid-January. We urge you to make your hotel and air reservations as early as possible! As a conference registrant, you and your family are entitled to special rates. To obtain any of these discounts you must identify yourself as a Jefferson Anesthesia Conference participant.

Accommodations

The Huntley Lodge and Shoshone Condominium Hotel, offering downhill ski-in, ski-out convenience, has 200 hotel rooms and 94 condominium units which adjoin the conference center. Guests may use the outdoor heated pool, jacuzzi, health club, massage and spa services, shops, dining room, and Chet's Bar. Conference participants are eligible for discounted rates on hotel rooms (\$231/night, double occupancy) and condominium suites (\$411/night, sleeps up to 4 adults). All guests of the Huntley Lodge and Shoshone condominiums receive complimentary daily breakfast buffet in the Huntley Main Dining Room and Summit Hotel guests receive complimentary daily breakfast buffet in the Peak Restaurant. Larger units are also available. Call for reservations: 800-548-4486.

Cross-Country Trail Passes and Lessons

The Lone Mountain Ranch offers Jefferson Anesthesia Conference participants discounted group lessons, rentals and trail passes. Purchase passes and lessons directly from the Ranch.

Downhill Lift Tickets and Equipment Rentals

Adult downhill lift tickets may be obtained for \$105/day. Purchase lift tickets from the concierge or the lift ticket office. **Discounts for lift tickets are only offered to participants that are staying with Big Sky Resorts.**
