5th Annual Jefferson Liver Disease Symposium

Saturday, March 30, 2019 | 8:00AM - 2:50PM

Bluemle Life Sciences Building - 233 S. 10th Street, Philadelphia, PA 19107

The 5th Annual Jefferson Liver Disease Symposium will feature a multi-disciplinary approach to the treatment and management of patients with a potpourri of liver diseases presenting to the office of the gastrointestinal specialist, primary care physician, internist, and mid-level practitioner. To provide a broad coverage of topics of interest, educational sessions during the conference will be organized into the following categories: hepatitis disorders, miscellaneous liver disorders, infections in hospitalized cirrhotics and liver transplant-related topics.

Topics Include:

- Hepatitis C in the Post DAA Era
- NASH: Therapeutics 2019 and Beyond
- HCC: Review of 2018 AASLD Guidelines
- Update on Alcohol-Related Liver Disease
- Update in Liver Transplantation: Regional Disparities and Organ Allocation
- Liver Transplantation: Where Are We Now and Where Are We Going?

**FEATURED
GUEST
SPEAKER:**

Jasmohan S. Bajaj, MD, MS, FACG, AGAF, FAASLD

Associate Professor of Medicine

Virginia Commonwealth University, School of Medicine

Featured Keynote Lecture: "Infections in Hospitalized Cirrhotics"
