5th Annual Jefferson Liver Disease Symposium

Saturday, March 30, 2019 | 8:00AM - 2:50PM

Bluemle Life Sciences Building - 233 S. 10th Street, Philadelphia, PA 19107

The 5th Annual Jefferson Liver Disease Symposium will feature a multi-disciplinary approach to the treatment and management of patients with a potpourri of liver diseases presenting to the office of the gastrointestinal specialist, primary care physician, internist, and mid-level practitioner. To provide a broad coverage of topics of interest, educational sessions during the conference will be organized into the following categories: hepatitis disorders, miscellaneous liver disorders, infections in hospitalized cirrhotics and liver transplant-related topics.

Why you should attend:

- **Gain insight** on current, evidence based updates and guidelines for management of liver disorders and liver disease.
- **Explore** best practices and protocols to improve your practice and patient care.
- **Access** new information from didactic lectures, case presentations, discussions and moderated question and answer panels.
- **Network** with expert faculty and colleagues in the field throughout the symposium.

FEATURED GUEST SPEAKER:

Jasmohan S. Bajaj, MD, MS, FACG, AGAF, FAASLD

Associate Professor of Medicine

Virginia Commonwealth University, School of Medicine

Featured Keynote Lecture: "Infections in Hospitalized Cirrhotics"

For additional information or to register, please visit us online* at CME.Jefferson.edu/content/liverdisease2019 or call 1-877-JEFF-CPD.

**Please visit the course webpage for the full conference agenda and applicable registration fees. Registration fee includes all course materials, access to presentations online, CE certificate, breakfast, refreshment breaks and lunch. Parking is not included.*
