

***Clinical Evaluation and Assessment of Residents and Fellows:  
An ACGME and Pennsylvania Research in Medical Education (PRIME) Collaborative  
Three Day Regional Faculty Development Course***

Dorrance H. Hamilton Building \* 1001 Locust Street \* Philadelphia, PA 19107

May 8-10, 2019

Learning Objectives:

*At the conclusion of this educational module, participants should be able to:*

- Use multiple assessment methods reliably to describe a learner's performance.
- Identify a poor performance by a learner and determine a plan to address the deficiencies.
- Provide competency-based feedback to a learner.
- Use competency based assessments to create a remediation plan for a resident.
- Organize a clinical competency committee to use competency-based assessments for high stakes decisions.
