

*CMS Education at Jefferson- Live Stream*

September 17, 2020

**Course Objectives**

*At the conclusion of this conference, participants should be able to:*

- Prepare for clinical documentation and CPT code changes that will impact outpatient services starting January 1, 2021.
- Comply with new regulations and the changes that will impact documentation for services provided every day.
- Design EMR templates with “smart phrases” that contribute to appropriate documentation.
