

Clinical Evaluation and Assessment of Residents and Fellows:
An ACGME and Pennsylvania Research in Medical Education (PRIME)
Collaborative Three Day Regional Faculty Development Course
*Dorrance H. Hamilton Building * 1001 Locust Street*
February 21-23, 2018

Learning Objectives

At the conclusion of this CME activity, participants should be able to:

- Apply multiple assessment methods reliably to describe a learner's performance
- Identify a poor performance by a learner and determine a plan to address the deficiencies
- Provide competency based feedback to a learner
- Utilize competency based assessments to create a remediation plan for a resident
- Organize a clinical competency committee to use competency based assessments for high stakes decisions
