#### **The learning objectives for this Knowledge-based program include:**

- Design engaging, high-quality learning experiences for students that help boost a practice site's productivity
- Apply strategies that can be utilized to integrate IPPE and APPE students into daily practice to reduce precepting burden and enhance teaching effectiveness through the layered-learning model
- Describe methods to effectively balance the demands of precepting students with routine professional responsibilities

This knowledge-based continuing education activity is designated for 2.0 contact hours of continuing education credit. JA4008236-0000-21-005-L04-P

Credits will be uploaded to CPE Monitor within 60 days following the completion of this activity.

This statement contains information provided to NABP from the Accreditation Council for Pharmacy Education (ACPE) via CPE Monitor®. ACPE policy states paper and/or electronic statements of credit may no longer be distributed directly to learners as proof of ACPE credit. The official record of credit may be located in the learner's e-profile in CPE Monitor®.

In support of improving patient care, Thomas Jefferson University is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
