

4th Annual Jefferson Infertility Counseling Conference: *When It Takes More Than Two to Make a Baby*

Wednesday-Friday, May 31-June 2, 2017

LEARNING OBJECTIVES

Wednesday, May 31, 2017: Fundamentals and Psychological Testing & Reports

- At the conclusion, participants should be able to:
 - ❖ Describe the different types of families made possible by ART, gamete donation and surrogacy.
 - ❖ Identify the challenges for providers counseling these new ART families.
 - ❖ Describe the integration of testing and the clinical interview.

Thursday, June 1, 2017: Advanced Clinical Practice

- At the conclusion, participants should be able to:
 - ❖ Recognize the legal issues and challenges for families of ART, gamete donation and surrogacy.
 - ❖ Identify the unique issues in familial third party ART.
 - ❖ Describe the evolution of the growing role of the ART laboratory in third party ART.

Friday, June 2, 2017: Ethics

- At the conclusion, participants should be able to:
 - ❖ Identify the psychosocial and legal foundations of counseling with gestational surrogates and intended parents.
 - ❖ Differentiate how language is used with family stories of third party assisted parenthood.
 - ❖ Assess the ethical considerations of information sharing with third party assisted parenthood.
