

****AGENDA****

Laser Enucleation of the Prostate (LEP): Mentored Continuing Professional Development

(Preliminary agenda/subject to change)

The course begins on Wednesday evening at 5:00pm with an orientation lecture in the Department of Urology, followed by a group dinner/discussion. The course reconvenes at the Department of Urology on Thursday at 7:30am. During this time, the group may move into the Urology Endoscopy Suite for observation time. The second day ends at 4:00pm.
